RE: Notification Report of Members Suspected or Confirmed with Covid-19

Dear Sirs:

In response to the unforeseen coronavirus known as SARs-CoV-2 (COVID-19) pandemic that has resulted in many illnesses, deaths and disruptions in the workplace, General President Dean has taken many actions to address the needs of our members throughout North America. The Safety and Health Department wants to make every effort to help prevent the spread of COVID-19 in the workplace and provide information to members who are suspected or confirmed positive for this virus.

The Safety and Health Department is implementing the following initiatives to better serve our members throughout the United States and Canada.

1. **“Notification Report of Members Suspected or Confirmed with COVID-19”**

Attached is a ***“Notification Report of Members Suspected or Confirmed with COVID-19”*** for your use to immediately inform the Safety and Health Department upon notification of any members who are suspected or confirmed with COVID-19. This form is for internal use only and has been formatted as an editable PDF document to allow you to complete the information and reply by email.

2. **New Toll Free Number and Email Address for Contacting the Safety and Health Department**

Call **833-355-SAFE (7233)** or email **[Safety@iwintl.org](mailto:Safety@iwintl.org)** from the United States or Canada for immediate assistance for all serious workplace incidents including the COVID-19 pandemic.

Thank you for your efforts to aid our members during these unprecedented and difficult times.

Sincerely,

Steven L. Rank

Executive Director of Safety and Health

Iron Worker International Union
